

FLOW Ordering Planned Items

1 In the Chart screen

The screenshot displays a dental charting software interface. On the left, there are several filter menus: 'Restorative' (Fixed / Remove Prosth., Endo / Perio / Surgery, Other Services, Conditions), 'View Mode' (Conditions, Planned, Completed, Existing, Declined, Referred Out), and 'Entry Mode' (Planned). The main area shows a dental chart with teeth numbered 32 to 17. Below the chart is a 'Charting' tab with a table of planned items. The table has columns for Order, Date, Code, Description, Tooth, Surfaces, Provider, Fee, Status, and Created. The first item is a panoramic radiographic image (D0330) with a fee of \$400.00. The second item is a prophylaxis (D1110) with a fee of \$150.00. The third item is an extraction of an erupted tooth (D7210) with a fee of \$0.00. The fourth item is a resin-based composite (D2391) with a fee of \$290.00. The fifth item is a resin-based composite (D2392) with a fee of \$350.00. The sixth item is a resin-based composite (D2393) with a fee of \$370.00. The seventh item is another extraction of an erupted tooth (D7210) with a fee of \$0.00. The eighth item is a crown (D2750) with a fee of \$0.00. The ninth item is a core buildup (D2950) with a fee of \$0.00. The interface also shows 'Primary Insurance: Ameritas Life Ins. Corp.' and 'Used + Insurance Pending/Max: Individual: \$0.00 + \$0.00 /'. The bottom of the screen shows a Windows taskbar with various application icons.

Click in the box of the procedure line to select; select each box for the items to number in each order

The screenshot shows a dental software interface. On the left, there are several dropdown menus: 'Fixed / Remove Prosth.', 'Endo / Perio / Surgery', 'Other Services', and 'Conditions'. Below these is a 'View Mode' section with color-coded buttons for 'Conditions', 'Planned', 'Completed', 'Existing', 'Declined', and 'Referred Out'. Further down is an 'Entry Mode' dropdown set to 'Planned', a 'Provider' dropdown set to 'Nichols, Tiffanye', and a 'Hygienist' dropdown. The main area features a 3D tooth chart with teeth numbered 32 to 17. Below the chart is a 'Charting' tab with sub-tabs for 'Treatment Plans', 'Alerts', and 'Chart Notes'. A table lists procedures with checkboxes in the first column. The first row is selected, and its checkbox is checked. The table columns are: Order, Date, Code, Description, Tooth, Surfaces, Provider, Fee, Status, and Created.

The screenshot displays a dental software interface. At the top left, there are several dropdown menus: 'Fixed / Remove Prosth.', 'Endo / Perio / Surgery', 'Other Services', and 'Conditions'. Below these is a 'View Mode' section with color-coded buttons for 'Conditions' (orange), 'Planned' (red), 'Completed' (blue), 'Existing' (purple), 'Declined' (yellow), and 'Referred Out' (green). Further down is an 'Entry Mode' section with a 'Planned' dropdown, a 'Provider' dropdown set to 'Nichols, Tiffanye', and a 'Hygienist' dropdown.

The main area features a 3D dental chart with teeth numbered 32 to 17. Below the chart is a 'Charting' tab with sub-tabs for 'Treatment Plans', 'Alerts', and 'Chart Notes'. A table lists treatment items with columns for Order, Date, Code, Description, Tooth, Surfaces, Provider, Fee, Status, and Created. A red circle highlights the 'SEAT' entry in the table.
